I think I'm the perfect fuck-buddy. I'm kinda like the female teddy bear of sex. You want me propped on the pillows of your bed at night waiting for you to get in so you can grab me so we can cuddle. But I'm not done. I paw at you until there is no more resistance. Then you hunt me down with your big gun and find that I'm am no match. It explodes into me and leaves us both limp. Then I prop back up on the pillow and am your teddy bear once again.

## OUR MAIL OVERFLOWETH

### CABIN 69

I always thought of sex as something special to be shared by people who care deeply for each other. It was supposed to have a spiritual meaning and should only be given to someone with the same feeling and desires. That was all before I tried it.

I was at a music summer camp the first summer after I finished college before I lost my virginity and understood what sex meant. Even though it was a co-educational camp, the cabins were divided by gender, and it wasn't long before the other girls in my cabin started talking about their experiences. Sex wasn't something my family or I discussed often, so the first couple of days was already a culture shock as their stories quickly got me horny and piqued my interest. But I could only get away with just listening for so long, and by the middle of the week, I let it slip that I hadn't ever been with anyone before.

After a few gasps, the other four girls in the cabin with me started whispering and planning something, and the night before we were supposed to leave, I returned to the cabin to find the lights out and a trail of lit candles leading back to the common room in the center of the house.

When I got there, three of my cabin mates already had their shirts off, boobs thrust out and pointed to the sky with their arms wrapped around each other and making out. More than that, they were all wearing short skirts with no underwear, their pussies already looking out as they spread their legs in front of me. I turned to Becca, who had kept me out of the way until it was time, and gave her a look as she smiled at me wickedly, telling me that since it was our last night together, it was important that we shared this moment. She pulled me close with her arms and eyes, and I felt like I couldn't get away, that I didn't

### Gianna Gets Wet...

I love a girl who's wet. No – not that kind of wet. The Gianna Michaels kinda wet in your *Busty Beauties* magazine. Some might call it a fetish, but I call it a lot of fun. The best sex I have had has been in bathtubs, showers, and hot tubs – my favorite place to get wet and fuck. There's nothing quite like feeling the jet streams hitting my balls as I'm doing her doggy in the tub. It's a guaranteed nut buster. In the shower, I like to use the hand-held wand and spray our privates. It get you both clean and horny. Can't wait to see more "wet" girls. Keep 'em cummin'.

– Dave K. in L.A.

really want to, and when I didn't pull away, Becca slowly leaned in and gave me my first kiss.

It was like lightning surging through me, an electrical power that instantly made me realize that there were a thousand different ways to care about each other and share something spiritual. Becca made out with me for a minute before leading me over to the others, pulling off her shirt to match but allowing me to pull mine off in my own time. It didn't take long before I realized I was the odd one out and ripped at my shirt, letting my boobs out and feeling another quick surge as two of my cabinmates quickly moved on me and let their mouths latch onto my chest.

I moaned and threw back my head as they went to town, the four of them laying me out and starting to share me while the others made out while watching. I couldn't believe the energy, and I started thrusting and flailing about almost as soon as they started. Becca seemed to be taking the most time with me, making sure she made out with my lips as much as my nipples and chest. Eventually, one took my hand and started sucking on my fingertips, eyeing me hungrily. Once my fingers were nice and lubed, she slid them up under her skirt and toward her hungry

pussy, guiding me to tease her clit before moving my fingers up inside her with a scream that pierced the air and sent a wave of ecstasy through me.

The heat only picked up as the skirts came off, along with my jeans, and two fully paired off to step away, leaving me with Becca and Vi, who took turns letting their tongues run up and down my body, from my perky nips to

While we got off to a jumpy start, things smoothed out as the months wore on.

It's just after midnight as Thursday changed into Friday and I just got home from the library. I was studying for an economics test coming up on Friday. I want to jump into the shower to chill out and then hit the sack. I live on campus in what they call mixed housing. That is, after

your freshman year, guys and girls can room together. I met my current roommate, Audrey, in our anthropology class last year. Her major is Biology and mine is International Economics. We hit it off, dated for a month, broke up, but remained really good friends. At the end of last year we talked about sharing a room this year and we both agreed we could do it, platonically.

So I come into the unit and in the back I think I hear the shower running. Bummed that I may have to wait, I decided I couldn't. I went to my room and dropped my books, and then

my juicy pussy and back. Finally, Becca let herself mount me, with her own pussy shoved in my face. Even not ready for it, or even knowing what I was supposed to do, I let my tongue flick out, thrusting my hips into her face as she 69ed with me.

The rush was intense, and it wasn't long before my friend pushed me to my first-ever orgasm, which shook my body, mind, and soul in ways I never thought imaginable! It was everything I could've hoped for in a spiritual moment and much more! The rest of the night, we took turns sharing each other with fingers and toys, pushing each of us over the edge several times. And by morning, we all had a deeper understanding of each other, friends for life. Each of us is now married, but we still meet up every summer for a heartfelt week of sharing that special bond that even our husbands can't match.

### SHOWER PLAY

My name is Rollin and I'm doing post-graduate work at a prestigious eastern university. Allow me to tell you about one of my experiences with a female roommate.

my clothes. I grabbed my towel and headed for the bathroom. The bathroom is shared by four different bedrooms in this unit. The door is partially open and Audrey's in the shower. She's humming a familiar tune and stops when she senses me at the entrance. I tell her that I'd been at the library all night and I was pooped. I wanted to just do a quick shower and go to bed. She said she had just gotten in and wanted to relax. I said I would just get wet, soap up, rinse off and go. She said okay and I got in the shower.

The temperature was just right, very warm but not scalding, and she bathed in the feel of the fine spray on her shoulders, as her neck muscles relaxed. She did not move too far over but steps back a little, letting the water soak her hair, and run down her face and across her full breasts. She reaches down for the shampoo, and started massaging it into her hair. As she steps under the spray to rinse, she suddenly feels my hands on her shoulders and leans back against my chest.

I know, I said we were supposed to be platonic, but sometimes we slip into the erotic. Fortunately, it just stays in the moment and then we are able to move on and have a normal day. So... she could feel my hardness against her buttocks, and wiggles against it playfully as my hands

roam up her sides, finally encircling her and moving up to her breasts. I playfully tickle the edges and the undersides, but eventually my fingers find their way to her nipples, which had gotten hard almost at first touch.

Audrey then turned around, and our lips met. I pushed my tongue inside her mouth, my arms encircling her, and she reaches down to touch my wet, hard cock. Audrey took it in her hand, caressing it gently, rubbing the shaft and moving a finger down to caress the my balls. She knelt down and planted a kiss on the tip. I ran my fingers through her hair as the water of the shower rained down around her, and she took my penis into her mouth. She ran her tongue around the head, feeling its smoothness in the

up the inside of her leg, almost to her pussy. Audrey trembled a little at the sensation, and even more as my finger began to trace the inside of her thigh.

I moved my fingers up to gently brush the folds of skin around her vulva, massaging and kneading the tender flesh, and sending shock waves through her body. Her legs began trembling, and I pulled her down next to me. I knelt between them and lightly licked the inside of her thigh. She moaned and spread her legs wider as I licked higher, reaching her labia, teasing her gently for a second before retreating and licking her other thigh. She reached her hands down to my hair, and gently stroked my head and caressed the muscles of my neck as I blew gently on her clit. I took it into my mouth and sucked on it gently, causing her to gasp. Then I pulled back and began to use my tongue in earnest, sometimes quickly, other times slower, making slow, lazy circles around her clit.

I worked a quick finger inside of her and penetrated deeply, and moved it in and out in the rhythm of my tongue moving against her clit. Audrey moaned at the feelings I was inducing in her body, and as they intensified she orgasmed. I looked up at her and smiled, and then crawled up her body to lie on top of her. She put her arms around me and luxuriated in my maleness. Soon she could feel me becoming hard again, and she parted her legs to let me enter. I slid in smoothly and we lay motionless for a moment, enjoying the sensation of her pussy walls around me.

Eventually I started to thrust myself rhythmically into her, moving my hips against hers, and she rose up to meet me on each deep thrust. She pulled me even more deeply inside of her. I groaned, and she could feel me starting to spasm inside of her. The sensation brought her to her own orgasm, and we came together, shuddering. I stayed inside of her as we lay together in the afterglow, enjoying the sensations of each other's body. With our arms around each other, she finally pushed me off of her to allow her return to the shower that I had so rudely interrupted.

— Rollin M., New Jersey

whole of her mouth before she started to suck on it. Her right hand encircled the shaft, and she began to rhythmically stroke me in time with the action of her mouth.

She could feel my excitement grow, as the water ran down her face, and she took more of me into her mouth. She moved her hand back to caress my balls and drew almost my complete shaft into her throat. She started to use her mouth to move it in and out, taking my entire length into her throat on the deep stroke. She stroked, faster and faster, and finally with a groan, I reached orgasm. She took me out of her mouth then, and let the water of the shower run across my penis.

I pulled her up from her knees and smiling, lifted her in my arms and carried her from the shower. I took a large, fluffy bath towel and began to dry her shoulders and worked down to her back, then putting my arms around her to dry her breasts and stomach. Kneeling, I towed off her legs and feet, and as she stood ran a teasing finger

# Can I Love a Man Again?

*I'm a one woman crusader for a healthy sex life.*

*I'm a 24 year old woman writing to you because there seem to be fewer and fewer outlets for us women to express our sexuality. Well, I want to share with you and your readers so they know that your sex life can go on quite happily. As a matter of fact, I'm a one woman crusader for a healthy sex life. I try not to preach, but I've helped many of my female friends find themselves, sexually that is...*

Some of those friends that have lost a husband through divorce or death have a tough time getting back into new relationships, let alone having sex. Many are frustrated but are also unwilling to try new things. I'll talk to them and say we can do it together. Nothing lesbian, just a supportive partner to re-introduce them to sex. Reluctantly, they'll agree and that's when I get things in motion. My plan? Rather ingenious, I say... I have a man ready for them. Not to fuck him but to explore him. Make the lady unafraid of a new man and his body.

**Example?** Let's call her Janice, and she's been divorced without a man for more than five years. It all starts at my house with an invitation to her and (let's call him) Adam. I have to tell you that things are going to have get explicit here because that's what happens:

So Janice comes to my house on the appointed evening and Adam is already there. They both know what's going to happen so we start with a glass of wine and get to know each other just a little. It will probably go like this... Adam is a twenty-something man with a good but not great physique. He is pleasant and warm. Janice is polite and timid. I force

*She is afraid of the male organ she tells us. It's been years since she's touched or looked at one and is afraid she's lost her touch and technique.*

them into conversations that will bring out her sexual fears and work on them. She is afraid of the male organ she tells us. It's been years since she's touched or looked at one and is afraid she's lost her touch and technique. Adam is reassuring to her that it's okay...

I tell Adam to stand up in front of her, but not too close. As he does, I get behind him and begin to undo his shirt. I tell Janice to stand up and finish opening it and touch his chest and nipples. Usually after a little hesitation and some more prompting, she does and helps me pull it off him. I tell her softly to undo his belt, his zipper and pull his pants down. She slowly does it. I ask if she wants to disrobe herself. She declines. (Most women will be uncomfortable with this so she stays in her clothes.)

I tell her to pull down his boxers or to slip her hand inside if she is uncomfortable looking at his penis right now. Janice chooses to slip her hand down under

the waistband. She searches and finds his semi-erect cock. I tell her to stroke it and reach lower for his balls. Adam, like a good guy, stands there silent. After a moment, I pull his boxers down and he steps out of his pants and boxers. Janice's a little surprised, but cannot help to look down and see her hand around this stranger's cock. I ask if she's okay so far and she nods that she is.

I start to rub my hands up and down Adam's chest from behind to try and make Janice a little more comfortable with this new situation.

"Isn't it gorgeous?" I say, reenforcing the beauty of the human body. Janice says 'Yes' pumping his now hard cock with her fist. After a few more pumps, it is pointing straight up. Without any more encouragement, I can see confidence building in Janice as she strokes it harder and works her hands all around his balls. I let this continue for a few minutes and then ask, "Would you like to taste it?" She looks down at his hard cock.

With that she dropped to her knees in front of Adam and pins his cock to his stomach and licks the long shaft slowly from the base to the head. The room was filled suddenly with wet sucking noises as Janice happily fits her mouth over its head. Janice then sucks his cock into her mouth as far as she can feeding herself an inch at a time until her throat was so full she gagged. Janice removes his dick from her mouth and catches her breath. She looks intently at the cock before her. She reaches out and puts a hand on each ass cheek and forces his spongy head deep into her mouth. I back away and leave Janice to her own desires.

I sat on the sofa next to them as Janice pressed his cock against his stomach and begin tonguing his balls. With her eyes shut, I could tell she was getting lost in her own erotic world. She was no longer denying that she was a sexual person. After a few minutes, I get up and go over to them. I helped her out of her bra and

*She kneels  
down and  
takes hold  
of his cock  
again and she  
strokes him to  
climax as he  
jets his warm  
cum onto her  
chest. She  
touches it and  
rubs a glob of  
it between her  
fingers*

she rubbed her breasts, awakening them from their long slumber by pinching her nipples to erection. She then boldly stands up and presses her chest into his. She continues rubbing and stroking his cock in her right hand. She pumps him hard as she rubs her chest against him.

Adam stands there like a soldier and takes it, letting her get out her years of sexual frustration. Adam senses he's about to cum and motions to me. I ask Janice if she wants to finish him. She nods. I ask if she wants to taste it or have him finish on her chest. She kneels down and takes hold of his cock again and she strokes him to climax as he jets his warm cum onto her chest. She touches it and rubs a glob of it between her fingers to sense its wetness and texture. She finds it warm and slippery and even ventures a taste of her fingertips.

Lesson's finished and Janice raises up and goes off to the bathroom to wash off. I bring her clothes and a few minutes later she comes out with a warm, humble grin on her face. Adam and I are sitting on the sofa and she sits on the big chair near us. I ask if she wants to say anything to me or Adam. She asks Adam how her blow job and hand job were. He smiles and replies with 'Wonderful.' Later Janice thanks me and Adam. A couple months later, she calls and tells me she's dating and fucking again. Her confidence and self esteem have increased. I know.

*Christina*

Christina was just about ready for a sunny day filled with tanning poolside. Before she could finish getting dressed, her man was upon her, cock out and drawing a gasp from her. Taking his cock into her inviting mouth, she pops it against her cheek till his knees start shaking. Finally, she lets him fuck her delicious pussy till he's ready to nut all over her gorgeous chest.
